Western Timber

REAL WOOD LOG SET

HAND-CUT FROM REAL WOOD

Each Western Timber Log Set is individually handcrafted by our team of in-house artisans using real Douglas Fir logs sustainably harvested from the pacific northwest.

Each set is unique in the way logs are cut burned and distressed. Our unique process creates an incredibly realistic burn presentation that will continue to amaze for years to come.

ONLINE FIREPLACE BUILDER

Build your dream fireplace today!

There are so many combinations to choose from with an Uptown Luxury Fireplace that we have created an online virtual builder to help you visualize your new fireplace before it's even in the wall. Use the builder to email yourself and your closest authorized dealership, a complete breakdown of your personalized fireplace.

Visit www.uptownfireplaces.com/fireplace-builder

SHOP LOCALLY

It's always nice to view a fireplace "in-person" before making a decision to purchase. To this end, our fireplace products are not sold online. Instead we offer Uptown Luxury Electric Fireplaces across our wide distribution network of authorized hearth dealerships.

Visit our online dealer locator to find a dealership near you: www.uptownfireplaces.com/dealer-locator
