

TWILIGHT INDOOR/OUTDOOR GAS FIREPLACE

Add warmth and fireside views to two spaces—indoors and out—with one fireplace. Our pioneering indoor/outdoor see-through fireplace offers smart control for the way you live, letting you control your fire from anywhere or even with your voice as you upgrade two spaces at once. A touchscreen remote and wireless wall switch are also available control options.

- Unique indoor/outdoor viewing for increased fireside views
- No chimney or venting required, blending your fireplace effortlessly into your outdoor space
- Enhanced safety with the IntelliFire Touch ignition system
- Select from the IntelliFire app, touchscreen remote control or wireless wall switch for a solution that fits your life
- 36" viewing area
